Look It Up!

Materials
4-part spinner (p. 107)
Oval board (p. 108)
Vocabulary Word Cards (pp. 74–103)
dictionary
pencils

Skill: dictionary skills

Prepare: This game is for three or four players. Give each group an oval board, a blank spinner, and a dictionary. On the board, mark one square with a star to indicate the beginning and ending point. Have them fill the other squares with current and review vocabulary words. They may refer to their Vocabulary Words Cards for word suggestions.

Label the spinner 1 Definition, 2 Pronunciation Key, 3 Word History, and 0.

Play: Players spin the spinner and move that number of spaces. (0 = skip turn) The spinner will also tell them what they need to find out about the word they landed on. Players use the dictionary to tell the word’s definition, pronunciation key, or history. The winner is the first player to reach the star.

Coin Toss

Materials
4 x 4 or 5 x 5 grid (p. 113, p. 114)
pencil
penny

Skill: fact and opinion

Prepare: This game is for four players. Give each group a copy of the 4 x 4 grid. Have each player write his or her name in the first square of one row.

Play: The object of the game is to be the first player to color in each square in their row. Each player flips a penny. If the coin lands on “heads,” then the player tells a fact about the school. The player also colors in a square. If the coin lands on “tails,” then the player gives an opinion about the school. Players cannot color in a square if they get tails.

Use the 5 x 5 grid if there are five players in a group. To make the game more advanced, have players offer facts and opinions about stories or topics to complete the game.
